Need to program?

NO!

Rethink!

I guess

N = 1

Work through  
week N lecture  
materials

N=1: "Introduction"  
N=2: "Variables, Data Types ..."  
N=3: "Control Structures"  
N=4: "Functions"  
N=5: "Advanced Data Structures"  
...  
N=14: "The Internet & HTML"

Interesting?  
Useful?  
Accessible?

YES.

Play with  
Examples

NO!

Slack / email with N  
and comments
